Township Report:

Andy Grimes, Township Supervisor said the Board will be going over PC text amendment recommendations to update Ordinance #9 Mobile Homes, and Zoning Ordinance Sec. 802.1 Mobile Home Park, to update "1976" to 15 years or newer, and review adding Adult/child Care Homes language. PC's minutes will now be added to the Township's website at www.henriettatownship.org, drop-down Planning Commission.

Old Business:

Nancy gave a packet out from Jackson Co. Planning Commission text recommendations to review and approve for Residential Permitted and Conditional Use. Region 2's Grant Bauman made some suggestions with some wording changes, reviewing the updated mobile home age, and adding home care facilities text to R1, R2, & Ag. Motion to pass made by Wellington, 2nd by Draeger, all in favor, motion passed.

A newsletter is being worked on to send out to the community. PC will have one side to encourage waterfront owners to plant buffers on frontage, conserving soil erosion with environmentally friendly seawalls, and how to let rain water through yards to be able to perk through soil before reaching the lakes.
